Because we care!

Advancare provides only the best homecare to independent seniors in South Florida. We have offices in both **Miami-Dade** and **Broward**.

Is remaining independent in your own home important to you and your family?

Is a loss of health and mobility and increasing isolation affecting your lifestyle?

Are you unable to take care for your home?

Do you constantly rely on family members for help, causing them and yourself stress?

Are you losing friends and possessions due to your situation?

Are you lonely and/or uncomfortable being alone in your own home?

Do you feel like your existence is losing purpose as you age?

If you answered yes to any or all of these questions, then Advancare is a perfect fit for your homecare needs.

Ideal clients include anyone with chronic disabilities who don't want to leave their home for an institutional setting. We provide these people and others with the help they need so they can remain independent and still receive proper care. Everyone deserves to live a comfortable life, no matter the medical situation.

We offer caring companionship, meal planning and preparation, incidental transportation, running errands, light house keeping, medical reminders, monitoring of safety while bathing, assistance with bill paying, and information and referral services.

We personally screen all of our caretakers, and you get to select the one you feel most comfortable with.

Our Caretakers are:

- ✓ Experienced in caregiving
- ✓ Committed to providing only the highest quality and most friendly professional care.
- ✓ Capable of being further trained to meet your homecare needs.
